RE: Project 0013752  
SCC Job #202225

Mr. Waddell,

Southern Concrete Construction Co., Inc. (SCC) has been awarded the project to replace the bridge and approaches on SR 377 At HOG\*635346H in Americus. This project requires the closing of the road with an off site detour included in the project plans(see below). As per contract we are allowed to close the road for 240 calendar days.

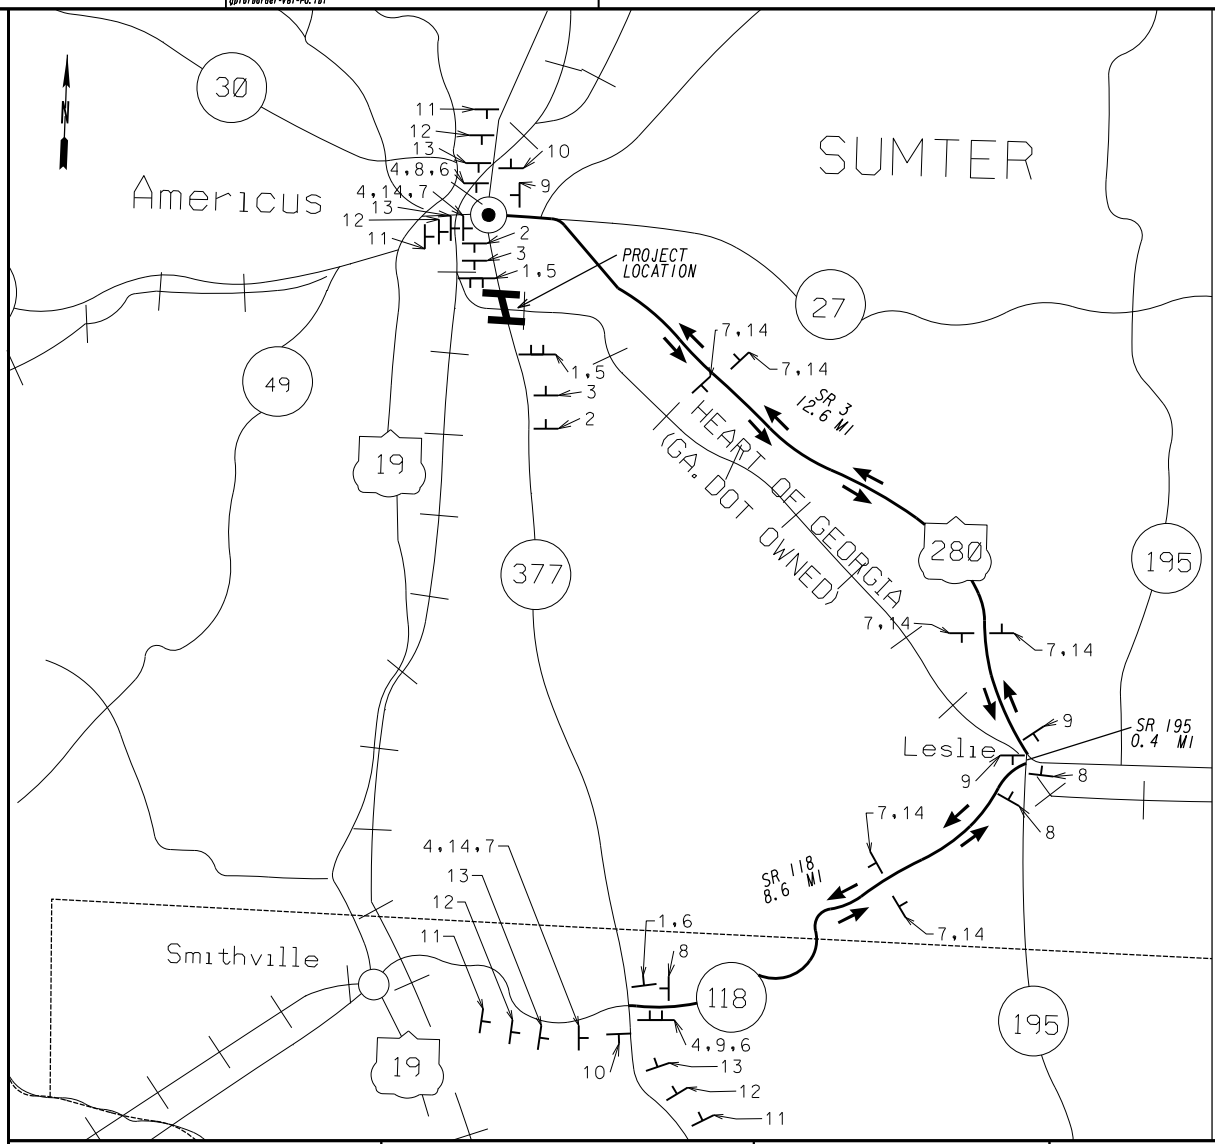

SCC is projecting a road closure date of June 5, 2023. This notice is so Sumter County and the City of Americus can prepare in advance for the road closure and detour. The detour will be marked with signage as shown on the plan sheet. This project will be under the supervision of myself, Edward Erb, Worksite Traffic Control Supervisor. I can be reached at 229-343-3144 (cell) or 229-435-0786(office).

We ask that you notify all Emergency Services, Law Enforcement, School Board as well as any other entities that will be affected by this detour. If you have any questions, please contact me.

Sincerely,

Edward Erb  
WTCS  
Southern Concrete Construction Company, Inc.
